

Azienda Agricola Montezovo, Montebaldo Bardolino DOC, Veneto, Italy, '2023`

Product code: `6627

PRODUCER PROFILE

Montezovo wines are produced entirely with grapes from family-owned vines spread over the main Verona appellations: Valpolicella, Garda, Lugana and Lessini.

Each wine is the result of conscious choices made in the vineyard, where the interaction between grape, soil, climate and location is all carefully considered. Many of Montezovo's vineyards lie at unusually high altitude for the region, with most around 550 metres above sea level and some reaching beyond 900 metres. These elevated sites bring cooler temperatures and greater diurnal range, encouraging slower ripening, fresher acidity and greater aromatic precision in the fruit. The fruits of this incredible terroir are most eloquently expressed in Montezovo's flagship wine, Amarone della Valpolicella DOCG.

VITICULTURE

The entire estate is farmed organically, with viticulture carried out in full accordance with certified organic standards. The vineyards are also recognised for their commitment to biodiversity, holding certification for meeting 'biodiversity-friendly' criteria and supporting a balanced, thriving ecosystem.

WINEMAKING

Upon arrival at the cellar, the grapes are destemmed and gently pressed. Fermentation takes place in stainless steel tanks at a controlled temperature of 20–24 °C and lasts around 10 days. Pumping over, racking, and lees management are all carried out in stainless steel to preserve purity and freshness before bottling. The result is a wine of excellent quality and clarity.

TASTINGNOTE

Bright ruby red in colour, the wine is youthful and fragrant, offering characteristic aromas of small red fruits and spice, complemented by subtle floral and herbaceous notes. The palate is harmonious and well-balanced, delivering freshness and elegance throughout.

FOOD MATCHING

Excellent with both summer dishes, such as pasta and vegetables, white meats, and with more winter combinations, with chestnuts and mushrooms.

TECHNICAL DETAILS

Varieties:

Corvina 70%,
Corvinone 20%,
Rondinella 10%

Vegetarian
Vegan
Organic

Features

ABV: 13.5%

Closure: Natural cork

Colour: Red

Oak Ageing

No oak ageing

Style: Still wine

Case Size: 6 x 75cl
