Product code: `2854

PRODUCER PROFILE

Cielo e Terra is a joint venture between the Cielo family, who have been making wine for over a century in Veneto and Puglia, and growers Cantina Sociale Colli Berici.

Drawing on Colli Berici's vineyard resources, combined with the Cielo's winemaking skills, their partnership consistently produces wines from both indigenous and international varieties that represent fantastic value for money.

VITICULTURE

The soils are rich in limestone and of marine origin. The climate is subcontinental and temperate, with mild winters, rare late frosts and windy summers. Rainfall is scarce (800-1100 mm per year), and in dry summers, emergency irrigation is required. A manual harvest.

WINEMAKING

Soft pressing and limited maceration in the fermentation using selected yeasts at controlled temperature below 20° C storage in steel tanks at a controlled temperature never exceeds 20° C trying to protect wine with nitrogen to prevent oxidation. Cold stabilisation and bottling through isobaric filler.

TASTINGNOTE

A beautiful pale straw yellow wine which is light and vibrant and should be appreciated for its zesty, citrus character, notes of green apple and pineapple and refreshing acidity.

FOOD MATCHING

Excellent as an aperitif, appetizers, risotto and fish-based first courses. Suitable to accompany fresh cheeses and white meats.
