

# Indomita, Nostros Viognier Gran Reserva, Bio Bio, Chile, '2025'

Product code: `4486

## PRODUCER PROFILE

Viña Indómita occupies a truly spectacular location, between Santiago and Valparaíso in the heart of Casablanca, with an imposing house and a hillside sign that wouldn't look out of place in Hollywood.

Yet within this setting is a dynamic winemaking team and one of the most exciting winemaking projects in Chile. With vineyards the length of Chile, from Casablanca to Maipo, as well as Maule and Itata, they take full advantage of the region's climatic differences, focusing on Chardonnay, Sauvignon Blanc and Pinot Noir in the cooler Casablanca Valley, Carignan in the Maule Valley, Pais in the Itata Valley and Cabernet Sauvignon and Carménère in the warmer Maipo region. Environmental sustainability and social responsibility are taken seriously, with measures taken to minimise waste water and energy consumption alongside ventures to create local employment across both winemaking and wine tourism.

## VITICULTURE

The Viognier grapes come from Bio Bio valley, 500 km south of the City of Santiago. Loam soils and a cool climate with high winter rainfall and constant winds regulating the temperatures. With a total annual rainfall of 1,200 mm, the soils are very diverse, from clayey, sandy, with degrading stones, and derived from volcanic ash.

## WINEMAKING

Grinding in a reductive environment, separating only the gravity drained juice from the press that will not integrate this wine. Static decantation and fermentation in steel with selected yeasts at 13-15°C.

## TASTINGNOTE

A delicate, light yellow colour. The wine shows clean, elegant, and distinctly Viognier aromas, with citrus and floral notes to the fore. On the palate it is well balanced and fresh, with generous volume and a satisfying, dense finish.

## FOOD MATCHING

Ideal with appetisers, grilled fish, pastas with lightly spiced sauce, light meats and salads.
