TOP DRINKS WHOLESALERS 2025

Welcome to our 2026 Spring Portfolio Tasting

It's a pleasure to welcome you today as we look towards spring; full of renewed energy and anticipation. It's a season when vibrant, expressive wines shine particularly brightly, and our aim is to inspire you with selections that will elevate your wine offering.

Today's line-up has been crafted with this season in mind: from refreshing classics to rare and premium bottles that deliver unforgettable moments and encourage trading up.

You'll find a special focus on the Rhône, Loire, and Burgundy – regions producing wine with such elegance, depth, and flavour that ensure they have a special place on any wine list or shelf.

Alongside these, we've hand-picked producers from across our global portfolio, each representing the very best of their craft.

Whether you're refreshing your wine list, seeking high-impact wines for retail, or looking for the next rising star, every table today offers something distinctive. Think wines that grab attention on a shelf, the perfect pairing for a seasonal dish, or a story that sparks customer curiosity.

Our team are here to share insights, recommendations, and producer stories to help you delight your customers and grow your business.

I hope you enjoy the tasting — and that this collection brings fresh inspiration for the season ahead.
