WELCOME

2

We are delighted to welcome you to our Annual Tasting 2022, which celebrates the wineries and the people which sit at the very heart of Alliance.

People who care for their land, nurture their vines and care for their people, playing a role in the cultural richness of their region. Creating wines which look to be as sustainable, honest and individual as possible.

With nearly 40 years in the wine trade, we've gathered a lot of experience and wisdom, but this year we're applying ourselves to making Alliance Wine a more sustainable business. We're just at the beginning of our journey, but represent many wineries who are already way ahead in acting out their own plans. You'll find some of them on our 'Sustainability Stories' table so please take the time to taste and speak to our Alliance Wine Sustainability Manager, Marta Juega Rivera, who can explain exactly what we're planning this year.

Enjoy the tasting!
