

# Baglio Gibellina, U. Passimiento, DOC Sicily, Italy (150cl.), 2021

## Producer Profile

The ancient and unchanged land of Sicily is truthfully reflected in the wines of Baglio Gibellina.

'Baglio' refers to the original internal courtyard of the farm, surrounded by a series of old rural warehouses once used for the collection and processing of grapes. Dominating the valley, it is surrounded by the hills of Salemi and Santa Ninfa, the landscape marked by rolling vineyards, broom and prickly pears. Old vine planted between 300-600m above sea level are grown on a mixture of clay and volcanic soils, resulting in wines that encapsulate ancient family traditions, authenticity and quality, with immense charm and easy appeal.

## Viticulture

The selected old vineyards are located on hills at 300 to 600 meters above sea level. The vines are grown using the Guyot training system on clay soils with limited yields of grapes per hectare.

## Winemaking

The Frappato grapes are harvested as soon as they reach maturation, and so that all the typical freshness remains in the must is fermented slowly in small steel tanks. The Nero d'Avola grapes are left on the vines for a light withering and for natural dehydration to occur. They are late harvested and with extreme care placed in wooden cases. After a soft pressing the musts are fermented at a controlled temperature. The two musts evolve according to their typical features and then are slowly blended. The natural sweetness of the wines is obtained by interrupting the fermentation through the "cold" process. The wine is then matured for some months in steel tanks.
