## Cave De Ribeauville, Gewürztraminer, Alsace, France, 2021

### Producer Profile

Run and owned by growers for over 100 years this co-operative has always been about their land and the quality of fruit that grows on it in the Vosges Mountains.

The alternating razor sharp ridges and plummeting valleys create slopes with fantastic exposure to the sun and great protection from the wind and rain which help maximise the potential of this vertiginous land. This particular range comes from a small selection of organic vineyards, which show poise through fresh, fruit driven clean expressions of the classic Alsatian varieties clearly demonstrating that this venerable co-operative is living very much in the moment.

### Viticulture

The Cave de Ribeauvillé covers a single vineyard of 265 hectares with 8 Grands Crus and other quality plots. The total surface area is managed by a quality chart which guarantees strict control of the yields, sustainable growth of the vineyards or even organic farming, and of course.....a manual harvest.

A semi sweet and aromatic wine with floral and exotic fruit character with a hint of spice on the finish.
