

Domaine Fernand & Laurent Pillot, St-Aubin 1er Cru Blanc, Sentier du Clou, Burgundy, France, 2022

Producer Profile

Laurent Pillot, who took over the running of the Domaine in his mid-twenties, transformed his family estate from grape growers to one of the more distinguished estates in the Côte de Beaune.

Laurent has since transferred his winemaking responsibilities to his son, Adrien. A superb collection of vineyards and a modern winemaking facility on the edge of the village, both their red and white wines are of an excellent quality. In particular, from both sides of the colour divide, both the white Chassagne-Montrachet and the rounded, sultry Chassagne-Montrachet 1er Cru Morgeot Rouge clearly profess their beautiful underlying minerality.

Viticulture

The soil is very stony, mixed with shallow red earth. Sometimes the limestone base rock breaks into the soil profile. This results in a very hot micro climate in summer near the grape bunches, due to the reflected sunlight from the white stones. The soil also contains iron ore. They became High Environmental Value (HVE) level 3 certified at the beginning of 2021, recognition for all of the work they have done over the years working "agrobiologie" and cultivating the soils without using chemical weed killers.

Winemaking

The hand harvested grapes arrive at the winery where they are very gently pressed and the free run juice put into oak for fermentation. Around a quarter of this oak is new and post fermentation the wine is aged for a further 11 months in barrel before release.

Tasting Note

This sensational St Aubin is beautifully balanced, delivering a poised and rounded palate with crunchy fruit and lively core acidity. It is clean with the pure fruit character of lemon and stone fruit shining through and on the finish a hint of spice. This is a serious wine with no shortage of minerality and will evolve and improve for a few years to come.
