

Domaine Fichet, Mâcon-Burgundy 'Nathan & Valentin', Burgundy, France, 2022

Producer Profile

Run by brothers, Pierre-Yves and Olivier, Domaine Fichet has raised the quality level of their wines in recent years by investing in a new modern winery.

The terroir here is unique, a high content of white limestone in the chalk and clay. The microclimate brings extra humidity and morning fog. Now with a new winery and a general willingness to modernise their approach, the brothers' wines have continued to improve year after year. The Mâcon-Villages has a perfect balance of concentration, acidity and minerality and the Bourgogne Pinot Noir is beautifully fresh and light.

Viticulture

The terroir here is unique, as there is a high content of white limestone in the chalk and clay. The microclimate brings extra humidity and morning fog. Francis Fichet was one of the first to plant Pinot Noir in the highly Chardonnay dominant region. His original plantings are now over 30 years old and are blended with Chardonnay. Domaine Fichet today has 35 ha of vineyards, including 26 ha of Chardonnay.

Winemaking

On arrival the grapes are sorted and destemmed before a gentle pressing. After the must has settled fermentation takes place in stainless steel at low temperature. To add texture the wine is kept on its fine lees for 12 months.

Tasting Note

This is a light, fruity Chardonnay, more intense and mineral than the 'Villages', produced in the traditional Burgundian style with a perfect balance of concentration, acidity and minerality. Refreshing and very quaffable.

Food Matching

An excellent choice as an aperitif or with fish dishes.
