VITICULTURE

The grapes are sourced from vineyards in Montreuil-Bellay, Brézé, and Bizay, with vine ages ranging from 7 to 80 years. The soils are clay-limestone, and the vineyard practices are organic, focusing on sustainability and minimal intervention.

WINEMAKING

100% Cabernet Franc. It undergoes spontaneous fermentation with indigenous yeasts in concrete vats, followed by maturation in stainless steel to preserve freshness and fruit purity. The wine is bottled unfinned and unfiltered.

TASTING NOTE

Aromas of ripe red fruits, including raspberry and cherry, complemented by subtle earthy and floral notes. On the palate, it offers a medium-bodied profile with fine tannins, balanced acidity, and a mineral-driven finish.
