

# Equipo Navazos, La Bota 123, Vermut Seco Dry, Jerez, Spain

## Producer Profile

Equipo Navazos was born out of a group of friend's passion to share the authentic, traditional wines of Jerez de la Frontera, Sanlúcar de Barrameda, El Puerto de Santa Maria and Montilla ... legitimately some of the greatest wines of the world!

These wines come from soleras and individual casks that remain, relatively neglected by the market in corners of many of Andalusia's most prestigious bodegas. These unexpected yet fortunate findings have been made available to wine lovers around the world in limited quantities under the La Bota series (consecutively numbered editions, with the date of each saca or withdrawal date on the label) ... in doing so respecting generations of expertise and care for these rare and beautiful wines. Today their efforts are increasingly focused on producing their own exceptional wines, such as Florpower, that truly express the character of Sanlúcar and its unique terroir. Outside of Andalusia, Equipo Navazos have collaborated with winemakers including Dirk Niepoort and Sergi Colet to develop authentic and individual wines that never fail to impress.

## Viticulture

The white chalky soil of the Jerez area, 'albariza,' is ideal for the cultivation of Palomino grapes which produce the sherry for which Jerez is so well known. With a focus on the old vine vineyards of Mirafloes La Baja, Sanlúcar from which their Florpower wines come from. However, experience has shown them that, in the end, the vineyard always prevails regardless of the intensity and duration of ageing, which is why they increasingly tend to limit the latter more and more.

## Tasting Note

An aromatized wine with a base of Fino from Jerez with an average age of four years that, thanks to the mastery of Eduardo Ojeda, has become an extraordinary dry white vermouth without a drop of sweetness, with elegant bitterness and a delicious citrus profile and standout grapefruit notes. Clean and complex, to be enjoyed chilled with nothing more than, perhaps, a slice of lemon or a green olive, or to make the best Dry Cocktail in the world "Dry Navazos", especially if combined with La Bota de Gin.
