# Indomita, Nostros Cabernet Sauvignon Gran Reserva, Maipo, Chile, 2021

## Producer Profile

The dynamic winemaking team at Indómita skillfully craft wines from their vineyards in two of Chile's very best regions.

The cooler climate Casablanca is great for Sauvignon Blanc, Chardonnay and Pinot Noir while the warmer Maipo Valley offers classic Cabernet Sauvignon and Carménère. Indómita produce superb, expressive wines that are both beautiful and stunning value for money.

## Viticulture

Closest wine region to the city of Santiago. Vineyards stretch eastward from Santiago to the Andes and westward to the coast to form three distinct sectors of the Maipo Valley best known for its well-balanced red wines. Alto Maipo reaches into the foothills and produces some of Chile's leading Cabernets. Central Maipo is one of the country's oldest and most diverse productive regions, and Coastal Maipo—a relative newcomer—benefits from the cool maritime influence that slides over and between the Coastal Mountains

## Winemaking

Traditional fermentation at 28-29°C with periodic pump-overs and draw-outs according to each tasting. There is a post fermentation maceration for 4-7 days.

## Tasting Note

An appealing deep garnet colour. A wine brimming with ripe red fruit, stewed fruit, spices and smoke. Perfect concentration, firm and lively tannins prompting a balanced, smooth sensation on the palate. Nice, oak-filled persistent finish.

## Food Matching

Very gastronomic wine that goes well with pasta, cheeses, risottos, stews, grilled meat and asian cuisine.
