INDOMITA, COSTA VERA MERLOT, CENTRAL VALLEY, CHILE, 2021

Producer Profile

The dynamic winemaking team at Indómita skillfully craft wines from their vineyards in two of Chile's very best regions.

The cooler climate Casablanca is great for Sauvignon Blanc, Chardonnay and Pinot Noir while the warmer Maipo Valley offers classic Cabernet Sauvignon and Carménère. Indómita produce superb, expressive wines that are both beautiful and stunning value for money.

Viticulture

From selected vineyard sites across Chile's Central Valley. The cooling influences of the Andes and the Humboldt current together with the diurnal temperature difference here allows for slow ripening so that the grapes develop maximum flavour.

Winemaking

Cold maceration at 10°C for 4 days. Classic alcoholic fermentation in stainless steel tanks at 28-30°C to preserve aromas and flavour.

Tasting Note

This easy-drinking Merlot comes from Chile's renowned Valle Central Region, where long hot days are followed by cool nights. This temperature difference ensures the grapes ripen slowly, so they develop maximum flavour. This is simply outstanding wine for the money, soft super-juicy ripe plummy fruit and a long full-flavoured finish.

Food Matching

Panini, quesadillas and stuffed & grilled vegetable bites.
