

Indomita, Nostros Viognier Gran Reserva, Bio Bio, Chile, 2023

Producer Profile

Viña Indómita occupies a truly spectacular location, between Santiago and Valparaíso in the heart of Casablanca, with an imposing house and hillside sign that wouldn't look out of place in Hollywood, yet belies a dynamic winemaking team and one of the most exciting winemaking projects in Chile.

Their 100 hectares of vineyards across Casablanca and Maipo, take full advantage of the regions climatic differences, with a focus on Chardonnay, Sauvignon Blanc and Pinot Noir in the cooler Casablanca Valley, whilst Cabernet Sauvignon and Carménère are the main varieties cultivated in the warmer Maipo region. Environmental sustainability and social responsibility are taken seriously, with measures to minimise waste water and energy consumption, alongside ventures to create local employment across both winemaking and wine tourism.

Viticulture

The Viognier grapes come from the Santa Carla Vineyards not far from the coast, in Yumbel, Bio Bio, in the South of Chile, 500 km south of the City of Santiago. Loam soils and a cool climate with high winter rainfall and constant winds regulating the temperatures.

Winemaking

Fermentation is carried out in stainless steel between 13°C and 15°C for 20 days. Ageing In stainless steel tanks until bottling. A natural decantation and cold stabilization.

Tasting Note

A delicate light yellow colour. The wine shows clean, elegant and typical Viognier notes, highlighting the citrus notes and flowers. In the mouth it is well balanced, fresh with plenty of volume and density on the finish.

Food Matching

Ideal with appetisers, or for sipping on a warm afternoon. Matches well with light dishes, salad and grilled fish.

Product code: 4486

Technical Details

Varieties:

Viognier 100%

ABV: 12.5%

Closure: Natural cork

Colour: White

Style: Still wine

Case Size: 12 x 75cl

Oak Ageing

No oak ageing
