Mabis, Biscardo Enigma Appassimento, Rubicone IGT, Emilia Romagna, Italy, 2021

Producer Profile

The Biscardo Family have been making wine from their base in Soave for over 150 years and are currently led by brothers Maurizio and Martino.

During the course of Maurizio's long and illustrious career, he has consulted for well known wineries around Italy and in doing so he came across the vineyards for their Puglian wines. Both the Pugliese and Veneto wines are characterised by an irresistible drinkability, aromatic purity and exceptional value for money.

Viticulture

The grapes are harvested in late autumn, by which time the grapes have shrivelled to raisins and are already partially dried on the vine.

Winemaking

The appassimento process means the grapes are left to dry in baskets until December after the manual harvest and selection. Air circulation keeps the grapes from growing mould. At the end of December, the maceration takes place very slowly at low temperatures and the wine is kept on lees until March.

Tasting Note

Poised and perfectly balanced, this intense purple- black wine has a harmonious bouquet of red and black berries, with soft and sweet tannins on the finish.

Food Matching

Can be enjoyed on it's own, or paired with red meat and aged cheeses.
