Oddbird Blanc de Blancs, Languedoc Roussillon, France

Producer Profile

Moa Gürbüzer founded Oddbird in 2013 to question and change societies norms around alcohol and offer a quality alternative ... liberated from alcohol.

Creating modern, world-class wines with zero alcohol is a skill, shaped by tradition and made possible through innovation. Achieving the distinct pure taste with high complexity doesn't just happen. It involves a wine-making process with minimal intervention and relentless attention to every detail. From the choice of grapes and vineyard site, to fermentation, alcohol removal and bottling ... a vision towards transforming drinking culture with quality in mind!

Viticulture

The grape varieties used in the Oddbird wines are chosen to ensure a distinct and authentic taste in all their wines: selecting the best grapes, cultivated with organic practices in the vineyards and picked at the perfect level of maturity.

Winemaking

Aged for a short time in oak barrels, this non alcoholic wine preserves the natural aromas and characters of the grapes.
