Oddbird Low Intervention No Alcohol Organic Red, Veneto, Italy

Producer Profile

Moa Gürbüzler founded Oddbird in 2013 to question and change societies norms around alcohol and offer a quality alternative ... liberated from alcohol.

Creating modern, world-class wines with zero alcohol is a skill, shaped by tradition and made possible through innovation. Achieving the distinct pure taste with high complexity doesn't just happen. It involves a wine-making process with minimal intervention and relentless attention to every detail. From the choice of grapes and vineyard site, to fermentation, alcohol removal and bottling ... a vision towards transforming drinking culture with quality in mind!

Viticulture

The world's first low intervention wine that has also been liberated from alcohol. From hand picked grapes in a family owned vineyard situated on volcanic soils near the town of Breganze, in the Veneto region of Italy.

Winemaking

Hand harvested, 100% organic, spontaneous fermentation and micro vinified in barriques and tonneaux.

Tasting Note

A supple blend of Merlot and Pinot Noir from Breganze, a town in the Veneto region of Italy. Fermented spontaneously and aged for 12 months, the grapes are hand harvested, 100% organic and micro vinified in barriques and tonneaux. Offering notes of blackberry, blueberry, cherry and wood.

Food Matching

Easy to drink as an aperitif but also with strong-flavoured red meat dishes.

Technical Details

Varieties:

Merlot 60%

Pinot Noir 40%

ABV: 0%

Closure: Screw cap

Colour: Red

Case Size: 6 x 75cl

Oak Ageing

Time: 12 Months
