

Adegas Pazo do Mar, Spain

In 2002 Adegas Pazo do Mar was created. It was born of a 30-year family vocation, which respects and admires the age-old Ribeiro wine- making traditions, but has a fresh spirit and vision for the future.

Adegas Pazo do Mar is dedicated to the production of native varieties, including Godello. They are in pursuit of the perfect balance between traditional and modern methods to achieve characterful wines with distinctive freshness. Their commitment to quality led to Pazo do Mar recently investing in the very best of oenological technology.

Winemaking

New, modern premises are equipped with stainless steel tanks with temperature control, constant bitartrate stabilisation, a fully automatic bottling system and, naturally, all the technical staff necessary to ensure the production of delicately flavoured wines of unbeatable quality.
