Nestled in the rugged hills of the Catalan countryside, in the tiny village bearing its name, is the well-respected Celler de Capçanes.

It was this wild Montsant landscape which first captivated Jürgen Wagner back in the early 90s, but it was the huge potential he recognised in this unique village co-operative that determined what followed. Pouring all his efforts into working with the growers to nurture the best from their vineyards and the most honest expressions of their terroir, Celler de Capçanes has established itself as one of the most engaging and outward looking wineries in the area. A combination of diverse vineyard plots and old vine Garnacha is captured and eloquently expressed in all their wines. Winemaker, Anna Rovira together with Jürgen, conjure up complex and characterful wines that show how, with a shared vision, focus on quality and hard work, great wines and an enviable reputation are not the exclusive birth right of prestigious single estates.

Viticulture

Working with Garnacha predominantly but with vineyards of Samso (Cariñena), Tempranillo, Merlot, Cabernet Sauvignon, Syrah, Pinot Noir, Macabeo and Garnacha Blanca scattered over sites on the hills that rise up around the village giving altitudes ranging from around 250 to 550 metres. Nowadays over 50% of the vineyards are organic while around 90ha have been certified.

Highlights

- 40 ha vines certified as organic.
- 20 years experience of "Lo Mebusha" kosher winemaking - OU, KF, Katz certified
- There are 15 plots of old bush vines that go into the production of Cabrida. These range from 85-105 years old and are planted on slopes and old.
