

Fabrizio Vella, Italy

Fabrizio Vella is a passionate winemaker living and working in Sicily.

Proud of the island that he calls home he wanted to create a wine range that was personal to him, that reflected where he was from. Working with indigenous varieties of Cattanatto and Nero d'Avola he conjured four wines using an organic approach and careful winemaking to create wines that are fresh, exciting, moreish and true to their origin. A Sicilian wine through and through.

Viticulture

Harvested by hand, the yields are naturally restricted by the winds and climatic conditions on the island and average around 80 quintal per hectare. The vineyard sites are situated at an altitude of 350-450m, ensuring cooler night time temperatures which preserve crucial acidity in the grapes. Wines tend to be harvested earlier than many of their neighbours and consequently they are bright and fresh with clean fruit flavours.
