

## Largesse, France

Largesse represents a range of stylish, classic varietals produced in Southern France.

As the name suggests these wines offer generous quantities of ripe, fruit driven character and a backbone of rounded tannins.

### Viticulture

The best parcels of fruit are selected by the winemaking team to ensure only the best fruit is used.

### Highlights

- Generous quantities of ripe, fruit-driven character.
- A range of stylish, classic varietals produced in Southern France.

## Largesse Their Wines >
