

Mabis, Italy

The Biscardo Family have been making wine from their base in Soave for over 150 years and are currently led by brothers Maurizio and Martino.

During the course of Maurizio's long and illustrious career, he has consulted for well known wineries around Italy and in doing so he came across the vineyards for their Puglian wines. Both the Pugliese and Veneto wines are characterised by an irresistible drinkability, aromatic purity and exceptional value for money.

Highlights

- An almost dangerous drinkability, aromatic purity and exceptional value for money.
- Huge acclaim already won over the years with many an award won at the Mundus Vini Great Gold Medals, Mabis- Biscardo are sure to remain a favourite in the future.
- Slovenian oak is used for the ageing of their wines so they retain the clean bright fruit that make these wines so appealing.
