

## Man Meets Mountain, Argentina

"Great things are done when men and mountains meet, this is not done by jostling in the street".

The quest for higher quality has seen Argentina's most ambitious winemakers push into the Andes foothills where the higher altitude and meagre soils produce the finest grapes. Man Meets Mountain is one of our own production projects in Argentina made in conjunction with our consultant winemaker Sebastian San Martin.

### Viticulture

Using 100% Mendoza fruit, the grapes from the Medrano vineyard. 20% of the grapes come from extremely old vines (80yrs +), which helps to characterise the wine by its perfumed fruit and violet notes on the palate.
