

Mayfly, New Zealand

The Mayfly, so symbolic of the first warmth of summer, drift down New Zealand's crystalline streams and rivers providing food for the voracious trout that have made this a mecca for fly-fisherman the world over.

The same pristine environment has proved to be the best place to produce the vibrant and refreshing Mayfly wines. We are sure that this crisp Marlborough wine will have wine drinkers hooked.

Highlights

- Youthful, crisp and exquisite Sauvignon Blanc.
- All of the fruit comes from the single Kerseley estate vineyard, one of New Zealand's top estates near Dillons Point.
