Piedmont is almost as famous for truffles as it is wine, those elusive delectable delights that need to be rooted out from the depths of the forest, so scarce but so worth it. Much the same can be said for.....

Olim Bauda, secluded and out of the way, down a long drive off the busy Via Prata, the path gently meanders continuously rising to finally reveal the family home through a grove of trees, or if you arrive in truffle season, more likely through a rolling mist. The estate is run by three siblings, Dino, Diana and Gianni who have devoted themselves to creating fresh, expressive Barbera d'Asti and clean, pure scintillating Gavi in the most delicate low interventionist way and without doubt they are worth all the trouble you might encounter to enjoy them.

Viticulture

Working organically in the vineyards since 2019 with the aim of certified organic wines for the 2022 vintage. Sustainable agricultural practices, following the rules for integrated farming which prohibit the use of herbicides. Rigorous green harvesting and bunch selection in the vineyards ensure that only perfectly ripe fruit is harvested.

Winemaking

Temperature controlled fermentations in stainless steel for both red and whites. Reds are then matured in large french oak barrels.
