

Wild & Wilder, Australia

Wild & Wilder is all about good clean fun. Working hand in hand with their merry (in a good season) band of growers, they craft wines of supreme quality but don't take it all too seriously.

Great fruit, grown by great people and made with a lot of love by people that know that wine is all about the good times, delicious food and creating great memories. Founded by Giles Cooke MW & Fergal Tynan MW, who also make the Thistledown wines, the mundane is just not in their DNA. Being involved in every stage of the winemaking process from bud burst to bottle means that every bottle from Wild & Wilder is an experience you'll want to try again.

Highlights

- Wild and Wilder are Benchmark inspired by the esteemed 19th century French caricaturist JJ Grandville.
- Tabula Rasa draws on fruit from historic vineyards across South Australia, this delicious wine captures the very essence of one season in a playful format that just demands to be drunk.
- Cloud Cuckoo Land is an imaginary state of absurd over optimism – something that those at Wild & Wilder are often accused of.
