Pazo Señorans, Albariño Colección, Rias Baixas, Spain, 2017

Producer Profile

It's hard to believe Pazo de Señorans have been making wine for a mere 28 years given that they are now considered one of the finest producers in Spain.

Anna, the winemaker, is fastidious in her approach, which could not be more pared back or simple. Having worked with the same growers over many years, there are no secrets to the success, it is all about the quality of the fruit.

Viticulture

Trained on a Pergola system. Manual picking in small 14kg plastic cases. Fruit comes from their own 29 ha of vineyards and around 160 Growers and 500 specially selected micro parcels, each being inspected rigorously and samples regularly taken from each parcel. The use of so many growers adds the complexity to the wine that Pazo Señorans are known for.

Winemaking

Stainless steel fermentation, with five months minimum on the lees and 30 months minimum in bottle.

Tasting Note

Attractive pale yellow colour, a delicate nasal profile. Subtle citrus notes and lovely structure in the mouth.
