

Raats Family Wines, Original Chenin Blanc, Stellenbosch, South Africa, 2022

Producer Profile

After making wine around the world and honing his craft in the Cape, Bruwer Raats established Raats Family Wines in 2000, based on a policy of 'excellence through specialisation', focusing on two unfashionable grapes varieties at the time, Chenin Blanc and Cabernet Franc.

Purchasing the only land he could afford, some relatively cheap and 'undesirable' plots in the Polkadraai Hills, it soon became apparent that the unique granite-based terroir was producing some incredible wines, and is now recognised as one of the finest wards in Stellenbosch. His Eden High Density Single Vineyard Chenin Blanc and Cabernet Franc, and the iconic MR de Compostella hold a place as some of South Africa's finest wines and sit comfortably amongst the best expressions of the varieties on the planet.

Viticulture

From vineyards with an average age of 35 years. Vines are grown in both decomposed granite and Table Mountain sandstone soils. A combination of trellised and bush vines, irrigated as well as dry land that yield approximately 7 – 8 tons per hectare.

Winemaking

Grapes grown from the two soil types are fermented separately, the decomposed granite bringing a lime and mineral character, while the sandstone more tropical fruit and structure. The juice was cold settled for 2 to 3 days, then cold fermented (14° - 16°C) in stainless steel tanks and aged on the lees for 6 months before bottling. No wood ageing.

Tasting Note

100% Chenin Blanc, this has a distinctive yellow apple and pineapple core, alongside notes of green melon and limes. The wine is bursting with fresh fruit flavours ending with zesty citrus flavours, and has a long mineral finish. A very clean and satisfying hand-picked Chenin Blanc that's a versatile wine for food pairing.

Food Matching

An easy to pair wine since it has a wide flavour profile, but we especially recommend it with curry or similar spicy dishes as well as sushi and oysters.
