## Stella Bella, Otro Vino, Chardonnay, Margaret River, Australia, 2021

### Producer Profile

This boutique winery in the heart of Margaret River creates idiosyncratic named ranges like Suckfizzle in a low interventionist and organic way keeping their approach as simple as possible to allow their cherished vineyards to show their quality.

It is not merely in the names where these wines are memorable, as once you have tasted them you will see why Luke Jolliffe, the winemaker, continues to receive recognition and awards from around the world for wines that have that wonderful Margaret River restraint and elegance, but are bound together with a fruit purity that makes them delectable.

### Viticulture

Otro Vino meaning other wine is Stella Bella's explorative and adventurous attitude. It perfectly showcases a range of current and new wines that are progressive, experimental and are different from classic Margaret River. Otro Vino is our means to showcase the history, evolution and future innovation of Stella Bella.

### Winemaking

Hand-picked at approx. 12.0 - 13° Baume and 8 - 9g/L TA. Whole bunch pressed to extract the free run juice. 100% wild fermented in 5+ year old French oak barriques to ensure a pure fruit flavour. No fining and filtration.

### Tasting Note

Sleek, elegant, textural and a bit wild. Focused fruit is bound by texture and stimulates the palate. Aromas of nectarine, peach, lemon blossom and zesty citrus explode out of the glass. A luscious palate of peach, nectarine and natural acidity drives a slippery and salivating finish. Keeps you wanting more. No additions and Low SO<sub>2</sub> in these wines.

### Food Matching

Tuna and salmon sashimi.

### Technical Details

#### Varieties:

Chardonnay 100%
