

Stella Bella, Semillon, Sauvignon Blanc, Margaret River, Australia, 2024

Producer Profile

This boutique winery in the heart of Margaret River creates idiosyncratic named ranges like Suckfizzle in a low interventionist and organic way keeping their approach as simple as possible to allow their cherished vineyards to show their quality.

It is not merely in the names where these wines are memorable, as once you have tasted them you will see why Luke Jolliffe, the winemaker, continues to receive recognition and awards from around the world for wines that have that wonderful Margaret River restraint and elegance, but are bound together with a fruit purity that makes them delectable.

Viticulture

Sauvignon Blanc and Semillon vines are planted throughout their collection of southern Margaret River vineyards. The majority of Semillon is derived from the Luminosa vineyard and Sauvignon Blanc from Rosa Brook Road vineyard. A multiple personality wine, it represents the uniqueness of each vineyard site while maintaining a defined Stella Bella style.

Winemaking

Semillon and Sauvignon Blanc were fermented in tank to enhance aroma creating more complex flavours and to build palate texture.

Tasting Note

Pale straw with green hues. Abundant aromas of White flowers, freshly squeezed lime and pink grapefruit, complemented by subtle hints of toasted nuts, and fresh orange blossom. Instantly pleasing with lovely weight and generous texture. Pink grapefruit, lemon and lime follow through on the palate with a hint of pear drop. Refreshing natural acidity leaves you wanting another glass.

Food Matching

Particularly complements barbecued prawns but the quintessential pairing is freshly caught and pan fried King George Whiting.

Product code: 8346

Technical Details

Varieties:

Semillon 63%

Sauvignon Blanc 37%

ABV: 12.6%

Closure: Screw cap

Colour: White

Style: Still wine

Case Size: 12 x 75cl

Oak Ageing

Time: 3 Months

Type: Fermentation only

% wine oaked: 30

% new oak: None
