Centelleo, Tempranillo, Syrah, Vino de España, Spain, 2020

Producer Profile

Literally meaning "the most wanted", Vinos Más Buscados is a collection of wines grown and nurtured in the Southern half of Spain, mainly in the area known as La Mancha.

Inspired by Spain's largely untapped fine wine resources, friends, colleagues and Masters of Wine, Fergal Tynan and Giles Cooke set off on a journey to find the unsung heroes of Spain, be they regions, growers or winemakers. Fergal's interest in wine terroirs and Giles' instincts for flavour, led them to unearth great Spanish wines whose stories were untold. Each wine is hand made. Each wine reflects the personality of the land and the subtle imprint of man in varying degrees. Now encompassing the terrific value of Centelleo, Torre Solar and Castillo del Moro, Vinos Más Buscados is a reflection of all that is best in modern Spanish wine making.

Winemaking

We select low yielding vineyards and ripe fruit to create a wine suitable for any occasion. The vineyards are closely monitored so grapes are picked at their best and the state of the art winery is well equipped with the most modern winemaking machinery to create fantastic wines. Stainless steel tanks for fermentation, cold stabilisation and bottled to order to retain freshness and vibrancy.

Tasting Note

Spain's most famous grape variety, Tempranillo, is full of juicy bramble and cherry fruits with a hint of spice on the nose while the palate displays soft rounded tannins. This red is supple and succulent with a juicy finish.

Food Matching

Great on its own or with grilled lamb cutlets, mild curries or casseroles.
