Product code: `7834

PRODUCER PROFILE

In 1989, Paul Hobbs visited Mendoza for the first time. Driving over the Andes from Chile, he fell in love with the place and the people, but also with its potential to make great wine.

He began experimenting with wild fermented Chardonnay and then with the variety that would become Argentina's calling card – Malbec; his first 10-barrel vintage of Malbec persuaded the American press of the potential of this grape. Paul established his own winery, Viña Cobos, in 1999 and over 20 years later, continues to make wines that are authentic expressions of the terroir they come from. In his exploration of the different terroirs across Mendoza, Paul looks to the most distinguished regions of Luján de Cuyo and Valle de Uco to produce wines that uniquely express their origins. The winery's elegant and balanced wines are a result of meticulous vineyard farming and utmost respect for terroir.

VITICULTURE

Luján de Cuyo, is known historically as the traditional 'prime zone' for wine-growing in Mendoza. Its high elevation location (3,250 to 3,470 ft), in combination with a semi-desert climate and low-nutrient gravelly soils provide ideal conditions for cultivation of high quality fruit. Hand Harvested.

WINEMAKING

Aged 18 months in French oak barrels, 25% new. Each batch is harvested and elaborated separately to define the final cut after aging. Bottled unfiltered.

TASTINGNOTE

This wine reveals an intense red hue, lifted by alluring aromas of white pepper, warm spices, and roasted red pepper. On the palate, it offers a beautifully balanced expression of fresh red fruits and deep ebony notes. Medium-bodied with firm yet refined tannins, it delivers a confidently poised finish that lingers with elegance.

FOOD MATCHING

Steak made with crushed black peppercorns, blue cheese and desserts with red fruits.
